

Camillona

Piemonte DOC Sauvignon Blanc

Color

Pale straw yellow

Aroma

Citrus fruit characters lifted by ripe gooseberry and floral notes.

Palate

Zesty acidity balances perfectly with the considerable weight on the palate, and crisp grapefruit flavours make this an attractive and characterful wine.

Grape variety

Sauvignon Blanc

Area

Hills in the south of the province of Asti, Piemonte. South West aspects at altitudes between 200 and 400 m. Limestone-clay soil.

Vineyards

Piemonte low Guyot trellis. Planting density 4,000 - 4,500 vines/ha.

Food match

Simple fish dishes, grilled chicken or goats cheese and red pepper with fresh basil.

Awards

Vintage 2017

Commended - IWC 2019

Vintage 2016

Silver Medal - CATA VINUM
